4

3 - Important

2

1 - Not important

Lake McConaughy Area

Lake McConaughy is another critical component to Keith County. The area allows for seasonal living, year-round living, recreation, and hydroelectric power generation. The following questions are designed to get specific thoughts on this important area within Keith County.

12. Currently, there is a mixture of residences, cabins, recreational uses, and commercial uses in the lake area, do you like this mixture of uses?

- Yes
- No
- Do not know
- Other (please specify)

13. If you could decide the land use mixture in the Lake area, would there be more, less or about the same mixture in the future?

	More	About the same	Less
Seasonal dwelling units	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Year-round residential	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recreational	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Commercial	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please specify)

14. Should the County continue to separate specific uses in this area from one another? For example, storage uses near residential uses; RV parks near year-round residential.

- Yes
- No
- Not sure
- Other (please specify)

15. Should the Lake area be protected from any additional development?

- Yes
- No
- Not Sure
- If Yes, why?

16. Has the County done a good job of protecting and regulating uses in the Lake area?

- Yes
- No
- Not sure
- If, No, what could be done better?

Miscellaneous

Please tell us anything else you feel is important about the future and future land uses in Keith County.
